## CHAIRMAN'S MESSAGE

Where has the year gone? It only feels like two weeks since we were getting the caravan ready for the first rally of the season, Foxfield Steam Railway.

The weather has certainly been kinder this year and sometimes too hot for me, especially King Sterndale for Buxton Carnival. This was a fantastic venue and I cannot wait to go back in 2027.

Rally numbers have remained consistently higher than last year and this is great to see. Hopefully you will all find something to interest you in the 2026 rally programme and that we continue to see the rise in our numbers!

2026 sees the centre celebrate 60 years, what an achievement. So please join us 2 – 6 July to celebrate this milestone.

As always, I must thank the Committee for their help and support but especially Sid for his skill in getting rally marshals. But I am more grateful to you for supporting the North Staffs by marshalling or attending rallies

Jan and I look forward to seeing you on a rally very soon.
